WOODSIDE

*Pluto - what does it mean
for our community?*

A Social Impact Study has been prepared for Woodside's Pluto LNG Development. The study identifies potential impacts on the local community and Woodside's proposed management strategies. It is available from www.woodside.com.au/pluto

Consultation workshops and meetings are being scheduled for the 26 and 27 March 2007. If you are interested in attending, or giving Woodside feedback on the study, please contact Naomi Evans on 9158 8954.
