

Question On Notice No. 6084 asked in the **Legislative Council** on **1 April 2008** by **Hon Giz Watson**

Question Directed to the: **Parliamentary Secretary representing the Minister for State Development**

Minister responding: **Hon E.S. Ripper**

Parliament: 37 Session: 1

Question

Since the coming to power of the current State Government in 2001, there have been many changes in the departments associated with State Development, I therefore ask -

- (1) Will the Minister outline the changes of name and structure to the Department/s and branches handling State Development since 2001 by date?
- (2) Will the Minister outline the office location changes of the Department/s and branches handling State Development since 2001 by date?
- (3) Will the Minister outline the FTE of the Department/s and branches handling State Development since 2001 by financial year?
- (4) Will the Minister outline the names of the senior executive and management of the Department/s and branches handling State Development since 2001 by financial year?
- (5) Will the Minister provide the current administrative structure of all senior and managerial employees within Department/s and branches handling State Development?
- (6) Will the Minister provide a list of all consultants and individuals employed on contract by the Department/s and branches handling State Development since 2001 by date and task?

Answered on 13 May 2008

1. The changes in the Department's name since 2001 are as follows:

- The Department of Minerals and Energy merged with the Department of Resources Development in May 2001 to form the Department of Mineral and Petroleum Resources
- The Department of Mineral and Petroleum Resources merged with part of the Department of Industry and Technology in February 2003 to form the Department of Industry and Resources

Details of Branch structure changes are listed in the answer to question 4 below.

2. The office location changes since 2001 for the branches handling State Development are as follows:

- Investment Facilitation - moved from 168 St Georges Terrace to 1 Adelaide Terrace in May 2005; to Hyatt Centre in April 2006; to Mineral House in August 2007; and to 1 Adelaide Terrace in March 2008.
- Investment Attraction - moved from the 168 St Georges Terrace to 1 Adelaide Terrace in May 2005.
- Aboriginal Economic Development - moved from Dumas House to 1 Adelaide Terrace in May 2005.

3. The information is available in the following Annual Reports (which have been tabled in Parliament):

- Department of Mineral and Petroleum Resources - Annual Report 2001-02
- Department of Industry and Technology - Annual Report 2001-02
- Department of Industry and Resources - Annual Report 2002-03
- Department of Industry and Resources - Annual Report 2003-04
- Department of Industry and Resources - Annual Report 2004-05
- Department of Industry and Resources - Annual Report 2005-06

4. The names of senior executive and management of the department/s and branches handling State Development since 2001 are as follows:
